

Dress Code Rationale

When Northeast Baptist School began in 1994, the Executive Board voted for the student body to have a uniform dress code. The uniform dress code for students as explained in this handbook provides for **function**, **simplicity**, **respect**, **modesty**, and **conformity**.

- 1) Students will dress in a uniform standard of dress that de-emphasizes the competitive nature of fashions and fads.
- 2) Students will dress for the function of classrooms and physical education.
- 3) Students will dress modestly.
- 4) Students will dress respectfully according to standards of dress that will be expected of them in a professional work place or a place of worship.
- 5) Students will learn to follow rules as stated.

Students will be expected to follow the dress code each day. Any exceptions to the rules must be approved by the Principal. It is incumbent upon all the staff to enforce the dress code.

NBS uniforms are not acceptable if they have been altered or defaced in any way.
Shoes must be kept on at all times when inside the building due to the fire code.
No wrist devices that utilize internet access may be worn.
No gloves worn in the classroom. No scarf accessories.
ALL AGE GROUPS: School uniform shirts must be worn under school hoodies.

We ask for the parents' support in students maintaining a "uniform look." The school administration reserves the right to initiate policies on new fads and changes in style throughout the school year. We are unable to predict all fashion trends and will adjust the uniform requirements as needed. Appropriate fitting is important in all clothing. Pants and tops should not be oversized or too tight for the student. Items which have Spandex in the fabric should be purchased in a size that is larger than usual so that the fabric does not conform to the body (skin-tight). Pants should not be tight enough on the hips to be able to see the lines of the undergarments. Pants should be loose on the knees and ankles so that the contour of the pants does not reveal the contour of the body. Make sure there is room to spare around the hips, ankles and knees ...enough to comfortably fit your own fist in them at any snug point.

Hoods will be removed in the classroom. Large overcoats and down jackets will not be worn in the classroom. All garments worn for cold outside weather must be removed in the classroom
Teachers may ask students to remove any outer garment if it is distracting the students or interfering with class.

Formal Banquet Guidelines

The banquet is for students in the 9th – 12th grades. Students may bring a guest of the opposite sex from 9th – 12th grades.

Parents and extended family members are encouraged to attend. Younger siblings are also welcome and will be seated with family.

The Dress Code Guidelines:

Formal Banquet dress code for female students has been a difficult issue with which to give clear boundaries. The most important guiding principal is modesty. The young ladies should dress in a manner that does not draw attention to their bodily features, but rather their face. Our goal should be to look our best without sacrificing any respect or dignity.

*That being said, I am further defining our dress code with these guidelines for the **GIRLS:***

- 1) *Girls shall wear a dress.*
- 2) *No part of the breasts should be exposed. Wear a bra that conceals breast details. No cleavage should be exposed either while standing or bending over. If your dress does not sufficiently cover your breasts, you should wear a jacket, shawl, or shoulder cover and keep it on for the duration of the evening.*
- 3) ***No strapless dresses.** (Dress must have at least one strap). Backline should not expose any skin below the waist. No waistlines should be exposed. (Torso covered.)*
- 4) *Dress should fit loosely enough that the skirt does not tightly cup over the bottom.*
- 5) *Dress needs to be no shorter than school dress code skirts (4" from floor while kneeling.)*
- 6) *Wear shoes appropriate with a formal dress. (not tennis shoes)*

BOYS: *In addition we ask that no tennis shoes or traditionally athletic footwear be worn. Boys shall appropriately wear a tie with their dress shirt. Pants with a shirt tucked into pants shall be worn. Only dress hats may be worn. Pants need to have a belt. Suit jackets are recommended but not required.*

Parents, please discuss this as needed if it applies to your sons and daughters and relay this information to any guest that is not a student at NBS. Together we strive to teach the value of respectful dress. I have discussed this at length with our students. Thank you for reinforcing this matter of concern. Please contact the school if you have any questions.
