

**ADMISSION:** Parents of a K3 student may register for enrollment in their class as early as a year before the next school year. K4 registration for new students should begin on March 1<sup>st</sup>.

**Late Admission:** New students that wish to enroll in the K4 classes after October 1<sup>st</sup> may be tested. Special consideration will be given to students transferring in from an ABeka school.

**ARRIVAL:** Parents shall follow *Morning Drop-off Procedures* recommended to parents at teacher / director orientation. The earliest arrival time is 7:30 unless your student is in **Before School Care**. Please make every effort to have your student at school when daily routines begin. When students arrive before daily routines begin, they will either be supervised on the playground or in the classroom. If your student arrives after that time, please take them to the office so that the receptionist may deliver them to their room. Attendance records are kept in the office and with the teacher.

**BACKPACKS/BOOKBAGS:** Backpacks/bookbags large enough to hold 9 X 11 papers without being folded are required each day to carry students' speckled books, lunchboxes, jackets, and folders. No rolling backpacks are allowed in preschool. Because the teachers of NBS are partners with parents in educating their children, we ask that **parents should check their student's backpack each day after school and sign their speckled book/folder each night to show they are informed about the day's conduct and upcoming activities.** Speckled books/folder must be returned each day. Verbal messages brought by your student CANNOT be accepted by the teacher. **Please send written correspondence only.** Teachers check the speckled books/folder each day for money and notes from the parents. Teachers **do not** check the book bags for money and notes.

**CLOTHING:** The school uniform is required for Preschoolers. See the *Preschool dress code*. Students that have soiled their clothes will be changed promptly. Important: Children must be able to cleanse themselves independently. Teachers are not able to assist with bathroom cleansing.

## **Policies on Handling Academic Difficulties**

1. In K3 and K4 the teacher indicates to the parents when struggles are evident.
2. Because we want to give the student plenty of time to mature before any diagnosis is made, we continue on a normal advancement track through K5.
3. If the student continues to struggle, hearing and vision tests are recommended.
4. Sometimes it is recommended that the student repeat K4 or advance to K5 with the option to repeat K5. If the student continues to have academic difficulty, the Ouachita Parish Student Appraisal educators are called to assist with diagnosis.
