

Purchase Your Yearbooks Today

It's hard to believe that this school year is almost finished. You have made many memories this year that we know you want to remember. Yearbooks are a special way to preserve those memories for years to come.

Yearbooks are on sale through May 21 for \$35 each.

Grab your book of memories before the price increases.

Every student desiring a yearbook will need to return this form with the payment.

Yearbooks will be available to pick up during orientation in August.

Photos taken and submitted by students, that are used in the yearbook, will receive photographer recognition. Submit photos to Mrs. Shapley by email (sshapley@nbs.school).

Space for advertisements is available for purchase to highlight your student or your business. Advertisement order forms are available at the front desk.
